If a student becomes unwell on the morning of the exam with symptoms that could be related to Covid 19 or, is instructed by Public Health England to isolate following contact with a positive case, please contact the College as soon as possible. The student should remain at home and await further guidance from the exams officer in both of these circumstances.

Full details of the examination and the arrangements students need to follow will be sent to them via their college email.

As with any period of examination we recognise that students can become anxious and worried. To support students with this we have a number of mental health resources available on 'Connell Student' website which is accessible [here](#). Their progress tutor or any member of the Safeguarding Team are always available to provide additional support if required.

If you have any questions, please contact me via email.

With best wishes,
