

CONNELL

CO-OP COLLEGE

22nd September 2020

Dear Parent/Carer and Student

We are writing to inform you that Wednesday 30th September will be a “Next Steps Preparation” day and students will not be required to come into college on that day.

Instead, all students will be required to complete a series of “Next Steps” assignments set for them by the Directors of Progress for their year groups. The day is designed for students to focus on developing plans to support their aspirations once they complete their current programme of study at Connell.

This work will be set on Google Classroom and all students will need to submit the tasks that day. The tasks will automatically be assigned to your son/daughter through Google Classroom by 9am on Wednesday 30th September.

Please support us in ensuring that your son/daughter completes these tasks which are an important and integral part of the career programme at Connell Co-op College.

Normal timetables will resume in college from Thursday 1st October.

Many thanks for your support in this matter.

If you have any questions, please email alicia.grady@coopacademies.co.uk

Kind regards

Ali Grady
Assistant Principal for Student Services
