Rationale and Vision

Our academy is committed to ensuring all of our students have access to highly impartial careers advice and to a range of employers who can support them in considering their future. To help us do this we align our CEIAG Plan to the Gatsby Benchmarks which have been explicitly referenced throughout the DfE's Careers Strategy (December 2017) the Statutory Guidance for careers (January 2018) and aligns to the delivery of independent careers guidance to year 8-13 pupils in accordance with section 42A of the Education Act 1997.

The 8 Gatsby benchmarks are outlined below:

1. A stable careers programme
2. Learning from career and labour market information
3. Addressing the needs of each student
4. Linking curriculum learning to careers
5. Encounters with employers and employees
6. Experience of work places
7. Encounters with further and higher education
8. Personal guidance

The vision for the development of CEIAG across our academy is to provide the very best opportunities to enable our students to make informed and incisive decisions in their preparation for working life. By using the Gatsby benchmarks as a framework of best practice we have a CEIAG programme that meets the needs of our ever changing cohort of students, providers and labour market landscape. Our plan promotes equality of opportunity, celebrates diversity and challenges stereotypes whilst inspiring, raising aspirations and giving our students an optimistic outlook on life and their place in the world of work. We are always guided by our Co-op values:

Do what matters most

What matters most is ensuring that our students achieve the best possible outcomes.

Be yourself, always

We bring our best self to work, so that we each contribute a bit of our own unique Co-op difference, and respect others for doing the same.

Show you care

We care about our Co-op, our colleagues, our members, our students, their parents and communities, now and for the future.

Succeed together

Co-operating is what makes us different; we're better and stronger when we work together.

Incorporate Co-op values

Intent

Our CEIAG programme is both bespoke and unique to our academy and is reviewed on an annual basis to meet our students needs based on our monitoring and evaluation processes. We are committed to providing a coherently planned and sequenced programme that reflects our academies context and core values. Implementation

Our programme is taught via bespoke activities, subject curriculum and extracurricular activities, and a wide range of enrichment activities.

CEIAG is delivered by a wide range of providers such as our internal Careers Advisor, teachers and support staff, Universities, visiting speakers, employers and employees. This delivery includes bespoke workshops, assemblies, work visits, work experience, mock interviews, careers fairs, drop down days and via subject curriculum. Our students are supported and encouraged to explore possible pathways they may take in the future, to ensure they have the very best start in life. Our staff receive regular CPD to support them in embedding employability skills into their subject areas. Our parents can access our academy's website which provides clear links to a range of CEIAG related events and information about local market information (LMI) to UCAS applications to Apprenticeships.
