LOOKED AFTER CHILDREN POLICY

***From 2021, Looked after Children are also known by the term “Our Children” by Manchester City Council.**

1. Rationale

1.1 The Trust is dedicated to providing a positive, varied and enriched educational experience for all Looked After Children (LAC) and strives to ensure a high level of progress and achievement from our LAC cohort.

1.2 LAC are one of the most vulnerable groups in society and it is nationally recognised that there is considerable educational underachievement when compared with their peers. For example, they may experience:

- A high level of disruption and change in school placements.
- A high level of disruption in home life.
- Lack of involvement in extra-curricular activities and experiences.

1.3 The above may result in:

- Poor examination success rates in comparison with the general population.
- Poor attendance rates in comparison with the general population.
- Underachievement in further and higher education, employment or training.

2. Aims

2.1 To promote and support the educational achievement and welfare of LAC pupils/students.

2.2 To ensure all staff are informed of the specific needs of LAC pupils/students.

2.3 To ensure equality of opportunity for LAC pupils/students.

2.4 To achieve continuity and stability for LAC pupils/students.

2.5 To involve LAC pupils/students in their education.

2.6 To support LAC into appropriate further education, employment or training.

3. Definition of Looked After Children

3.1 Under the Children Act 1989, a child is looked after by the local authority if he, or she, is in their care or provided with accommodation for more than twenty-four hours by the Local Authority. They fall into four main groups:

3.1.1 Children who are accommodated under a voluntary agreement with their parents.

3.1.2 Children who are the subjects of a legal care order, or interim care order.

3.1.3 Children who are the subjects of emergency orders for their protection.

3.1.4 Children who are compulsorily accommodated – this includes children remanded to the Local Authority or subject to a criminal justice supervision order with a residence requirement.

- 3.2** The term 'in care' refers only to children who are subject to a legal care order by the courts under Section 31 of the Children Act 1989. They may live with foster carers, in a Children's Home, in a residential school, with relatives or with parents under supervision.
- 3.3** Children who are cared for on a voluntary basis are 'accommodated' by the Local Authority under Section 20 of the Children Act 1989. They may live in foster care, in a Children's Home or in a residential school. All these groups are said to be 'Looked After Children'.
