

CONNELL

CO-OP COLLEGE

Teacher of A level Maths and A level Statistics (Maths Coordinator TLR available for an appropriately experienced teacher)

Job Description

At Connell Co-op College, as a Teacher of A levels Maths and A level Statistics you will be responsible for each of your student's enjoyment of study, outcomes and achievements in this subject. You will be a successful teacher delivering good and outstanding lessons, who is able to enthuse, motivate and inspire students to reach their potential and exceed their aspirations. You must have a commitment to high standards and hard work to secure high quality outcomes for all students, be enthusiastic about the development of the College and be willing to play an active part in the College's progress. The department offers A level Maths, A level Statistics, GCSE and Core Maths.

Specific Responsibilities

- Maintain clear expectations and high standards of professionalism at all times
- Organisation and planning of your lessons.
- Monitoring of and being accountable for student attainment and progress, in accordance with the College's policies.
- Being accountable for your standards when delivering teaching and learning.
- Working collaboratively and sharing good practice within the College and the Trust, to continually raise standards and develop the ethos in all areas of the College, not just the academic provision.
- Attend College events and activities as directed by the Principal.
- Staff will be expected to share their expertise across all the schools in the Trust.

The Subject Area

- Lead by example in a professional way. Model the high standards, which will ensure the attainment, progress, discipline and motivation of all of the students.
- Support the Director of Faculty in the effective setting of targets and monitoring of the students within the Faculty, through effective operation of quality control systems measured against national quality standards and performance criteria.
- Ensure the faculty rooms have displays, which are vibrant, stimulating and regularly refreshed.
- Ensure that reporting of the students' progress in this subject is professional and informative with clear targets set.
- Apply effective strategies to support individuals and groups of students who are underperforming in order that they meet or exceed their targets.
- Apply effective strategies to support individuals and groups of students who are part of the College's SEND/LLDD agenda in order to ensure that they meet or exceed their targets.
- Monitor the impact of these strategies; adapt and develop them when necessary to ensure the best outcomes for each student.
- Keep up-to-date with Trust and national developments in the subject area, teaching practices and methodology.
- Liaise with parents/carers to offer information and guidance to ensure the students gain maximum benefit from the learning opportunities.

- Ensure that the faculty resources and equipment are well cared for.
- When required, be responsible for the organisation of departmental visits and excursions in accordance with College policies.
- Deliver part of the flexible programme for elite athletes if required.

The Faculty

- Support the Director of Faculty as required

The College

- Ensure that all College policies are adhered to and consistently implemented.
- Ensure all areas of the College are maintained to a very high standard.
- Promote and publicise the work and achievement of the staff and students in the Faculty.
- Support, through the department's specialism, the wider curriculum and extra curriculum of the College.

Additional Information

This job description reflects the position at the present time and may be reviewed in consultation with the role holder in the future. The appointment is subject to the current conditions of employment in the School Teachers' Pay and Conditions.

Person Specification

	Essential	Desirable
Qualifications, Educational and Training	<p>Degree and teaching qualification in the relevant subject.</p> <p>Commitment to CPD both personal and for others.</p>	Further professional qualifications.
Relevant Experience	<p>Previous experience of teaching, A level Maths, A level Statistics, GCSE Maths, Core Maths.</p> <p>An ECT will be considered.
